COMMENTS ON STATEMENT OF REASON FOR ALLOWANCE

Assistant Commissioner for Patents
Washington, D.C. 20231

In response to the Notice of Allowance dated July 21, 2005, the following comments are provided.

It is noted that the word "mobile," the first word of the last line of page 2 of the Notice of Allowance appears to be a typographical error and should be stricken.

Applicant respectfully submits that the reason for allowance cited by the Examiner applies to pending Claim 10, and to some extent pending claim 16, but not as much to the other independent claims which are directed to mobile units as opposed to server methods. Many of the reasons recited by the Examiner correspond to limitations in Claim 10 that are not in the other independent claims.

Applicant further notes the Examiner made reference to only two of four Information Disclosure Statements that are signed off and in the record. Applicant requests the publications
